FAMILY DAY CARE EDUCATOR INSURANCE

With over 15 years of experience in Family Day Care Insurance, we are uniquely positioned to design products for educators that are simple and cost effective.

We have recently created a new insurance program for educators that truly changes the way Insurance for Family Day Care Educators is designed and purchased.

FAMILY DAY CARE INSURANCE PROGRAM FOR EDUCATORS

- You choose whether to buy \$10 million or \$20million limits for your public liability policy (*\$10m is the minimum statutory requirement*)
- You choose whether to pay monthly or annually
- If paying monthly we provide educators with unique *Pay as You Go* Insurance
- Pay As You Go - On day 1, you purchase the first 2 months of cover and pay 1 month at a time thereafter. If you choose to leave the sector, stop due to illness or an accident, or go on an extended holiday or maternity leave, you can stop paying at the end of your policy month*
- Zero interest charged to pay month to month (*monthly instalments traditionally add at least 10% interest to your premium-costing you more*)
- Imalia does not charge cancellation fees, dishonour fees or hefty ongoing administration fees

WHAT'S INCLUDED?

Our Family Day Care Educators Insurance Program Includes cover for:
